## Special Earlybird ticket price offer. Strictly limited.

After a successful inaugural event in 2017, raising \$30 000 for our charitable partners and back with a new name, the North Shore Black & White Charity Ball is an annual black tie gala event, celebrating and supporting local community, whilst raising much needed funds for local special needs schools - St Lucy's and St Edmund's in Wahroonga.

Like no other, our (less formal) stand up cocktail event gives guests more opportunity to mingle and dance the night away to a live North Shore band, Big Secret - all proudly supported by the beautiful [Killara Golf Club](#).

Substantial dinner canapes, dessert by [Pattison's Patisseries](#) and all drinks included under the ticket price.

We hope you will join us for a fabulous and fun evening - celebrating and supporting local community.

#killaraball #northshoreball

ALL WELCOME.

**BUY YOUR DISCOUNTED EARLYBIRD TICKETS NOW**

## **The charities we are supporting....**

Funds raised through ticket sales and events on the night will support local not-for-profit organisations.

[St Lucy's](#) caters to primary-aged children from all religious backgrounds. Their mission is to raise awareness of issues pertaining to disability in the wider community. With an enrolment of 140 students on the main campus in Wahroonga, and satellite classes on the Northern Beaches, St Lucy's views each child individually in order to unlock their unique potential and to encourage them to become independent. They provide a holistic education, offering outstanding academic programs taught by special educators and support students in their pathway to other educational settings when they are ready or as they move to high school.

[St Edmund's](#) is a co-educational secondary school catering for students with a wide range of disabilities such as sensory impairment, intellectual disability in the mild to moderate range, and autism. The College has a proud history of providing special education for over 65 years and currently has over 130 students in attendance. Our main focus is providing students with the necessary skills and rich life experiences that will better prepare them for life beyond high school.

## Our wonderful sponsors...

---

**Thank you to the many generous families and local businesses who have donated prizes for our event....**

**THANK YOU**

## Can you help? Know of a local business that can help?

We are looking for any local business that would like to donate a gift certificate, merchandise or their services to use as prize item at our event. All profit proceeds go directly to our charitable partners who work in our local community.

Not only will the product or service be promoted to potential customers prior to and during the event, but early donors will be listed in all promotions associated with the ball via our already extensive social media following.

With your donation you will be supporting your local community, its educational and community service project partners AND promoting your business to professionals of Sydney's Upper North Shore.

Thank you for your support.
