

2020 Bushland Dumping and Encroachment Submissions				
Submission Number	TRIM Link to full submission	Acknowledgement of submission TRIM link	Summary	Comments and Result
1	2020/246166	2020/250910	Advises that on page 5, there is no such word as "incidences"	Amendment made to the policy as suggested.
2	2020/246291	2020/250911	Support for the Policy. The community member would like Council to inform nearby properties of their responsibility to deal with own waste.	This submission was not considered to require any changes to the Policy.
3	2020/247372	2020/250912	Support for the Policy. The community member would like Council to report and rectify dumping issues as soon as possible.	The Policy commits Council to resolve issues in a timely manner. No changes to the Policy were made as a result of this submission.
4	2020/250026	2020/250913	The community member believes that dumping occurs by contractors more than residents.	This submission was not considered to require any changes to the Policy
5	2020/257798	2020/260328	The community member states that Council doesn't take any action in a reasonable timeframe to catch the offenders.	The Policy commits Council to resolve issues in a timely manner. No changes to the Policy were made as a result of this submission.
6	2020/257796	2020/260325	Suggested some wording changes. Also asks further questions.	Amendments made to the policy as suggested.
7	2020/268045	2020/268878	Supportive of the Policy. The community member asks that the definition of illegal dumping be widened.	The Policy already has a wide definition of 'dumping', which will cover these concerns. No changes to the Policy were made as a result of this submission.
