# LGNSW Annual Conference Motions Submission Guide

## 1. Introduction

The Local Government NSW (LGNSW) Annual Conference is the pre-eminent policy making event for the local government sector. At Conference, delegates vote on motions which help determine the policies and priorities for LGNSW and the sector. It is a key event for local government where councillors come together to share ideas and debate issues that shape the way the sector functions and is governed.

LGNSW member councils are invited to submit motions for possible debate at Conference to advance the sector wide policy agenda. Motions are strategic local government issues which affect members state-wide and introduce new or emerging policy issues and actions.

This guide outlines the process for councils to submit motions for LGNSW's Annual Conference.

## 2. Deadlines

Members are encouraged to submit motions [online](#) by **12 midnight (AEST) on Monday 28 September 2020** to allow assessment of the motions and distribution of the Business Paper before the Conference. However, in line with the LGNSW Rules, the latest date motions can be accepted for inclusion in the Business Paper is **12 midnight (AEDT) on Sunday 25 October 2020** (28 days prior to Conference).

## 3. Criteria for motion submission

The LGNSW Board has resolved that motions will be included in the Business Paper for the Annual Conference only where they:

1. are consistent with the objects of the Association (see Rule 4 of the Association's rules<sup>1</sup>);
2. relate to local government in NSW and/or across Australia;
3. concern or are likely to concern local government as a sector;
4. seek to advance the local government policy agenda of the Association and/or improve governance of the Association;
5. have a lawful purpose (a motion does not have a lawful purpose if its implementation would require or encourage non-compliance with prevailing laws);
6. are clearly worded and unambiguous in nature, and
7. do not express preference for one or several members over one or several other members.

Council members are encouraged to review Action Reports<sup>2</sup> from previous Conference(s) before submitting motions for this year's Annual Conference to ensure the proposed motion wording reflects any recent developments and does not duplicate existing positions.

## 4. How to write a motion

Motions adopted at the Annual Conference inform LGNSW's advocacy actions on behalf of the local government sector. LGNSW includes the exact wording of motions when writing to ministers, departments and agencies post-conference and so it is important that the wording of motions clearly outlines your council's policy intent or objective.

The format of motions, as much as possible, should call on a specific body (e.g. LGNSW, state government, federal government, a specific Department or Minister) and have a specific outcome

<sup>2</sup> Action Reports outline the advocacy actions taken by LGNSW for each Conference Resolution and the outcomes of these actions. Action reports are available via the Annual Conference page of the LGNSW website [www.lgnsw.org.au](http://www.lgnsw.org.au).

that the motion is aiming to achieve. The motion should state whether it is seeking to change a LGNSW Fundamental Principle<sup>3</sup>. The wording should be unambiguous.

*Examples of clearly-worded Annual Conference motions:*

**Minister for Rural and Regional NSW**

That LGNSW lobbies the NSW State Government to appoint a Minister for Rural and Regional NSW with suitable resources to undertake meaningful representative activities.

**Natural Disaster Funding, Day Labour**

That LGNSW requests the Australian and NSW governments reinstate the claimable expense for the use of council staff during their normal working hours to attend to natural disaster relief and recovery funded works and reverse the present policy that effectively requires the mandatory use of contractors for recovery works.

**Companion Animal Act matters**

That LGNSW advocates that the NSW Government takes the following steps to improve the management of companion animals:

- establish an integrated on-line statewide registration process as an improved service to companion animal owners;
- resolve difficulties with the *Companion Animals Act 1998* definition of an “Authorised Officer”, by using the definition contained in the *Impounding Act 1993* as the definition in both Acts, allowing councils choice in the business model for its area; and
- review the dismissal of charges under section 10 of the *Crimes (Sentencing Procedure) Act 1999* in relation to offences under the *Companion Animals Act 1998*.

For more examples see Business Papers from past Conferences on the LGNSW website.

## 5. Demonstrating evidence of council support for motion

The member submitting the motion must provide accompanying evidence of support for the motion. Such evidence may include an attachment note or extract from the minutes of the Council meeting, at which the member Council resolved to submit the motion for consideration by the Conference. In the absence of a council meeting, the evidence should be a letter signed by both the Mayor and General Manager.

LGNSW has developed a template council report for members to use to resolve at their own council meetings to submit motions to LGNSW for Conference at [Attachment C](#) of this Guide.

## 6. How to submit a motion

LGNSW members are invited to submit motions through an [online portal](#)<sup>4</sup> from **17 July 2020**.

Each motion submission should include responses to the following eight fields:

1. Council name
2. Contact details of relevant officer
3. Motion category (*e.g. planning, economic, environment etc. This assists with assigning motions to the relevant policy staff and grouping related motions in the Conference Business Paper.*)
4. Motion title (*a few words*)
5. Motion (*a sentence or two which states the issue and the call to action*)
6. Background note (*a paragraph or two to explain the context and importance of the issue to the local government sector*)
7. Indicate if the motion conflicts with one or more of the Fundamental Principles<sup>3</sup>
8. Evidence of council support for the motion (*e.g. council meeting minutes*)

A sample motion submission form is at [Attachment B](#).

<sup>3</sup> For more information on LGNSW's Fundamental Principles please see **Part 9** of this guide.

<sup>4</sup> Online motion submission portal: <https://lgnsw-grants.fluidreview.com/>

Once a motion has been submitted it cannot be edited without contacting LGNSW so please review the content carefully before submission.

## 7. How LGNSW manages incoming motions

The LGNSW Board has established a sub-committee and delegated the function of managing incoming motions for the Annual Conference to this sub-committee. The Chief Executive will refer motions to the sub-committee that are outside the criteria, or if it is unclear whether they meet the criteria. The sub-committee will make the final decision on inclusion of those motions into the Annual Conference Business Paper.

Prior to the sub-committee making a final decision, LGNSW may contact the council that submitted the motion to seek clarity on its intent or wording.

Incoming motions which seek to change any long-held Fundamental Principles<sup>3</sup>, will be brought to the attention of the motions sub-committee and highlighted in the Business Paper for members' information at time of voting.

Motions which are consistent with current LGNSW actions or existing LGNSW positions may still be printed in the Business Paper but will not be debated at the Annual Conference.

## 8. What happens to motions at the LGNSW Annual Conference

Standing orders are outlined at the front of the Business Paper and adopted at the commencement of each Annual Conference. They outline the manner in which the Conference deals with motions. The standing orders adopted at the 2019 Conference can be found in [Attachment A](#).

During debate on motions at Conference, the standing orders generally permit councillor delegates to speak in support of or against each motion. Following a vote on a motion, the motion is either carried and then becomes a resolution of the Annual Conference, or the motion is defeated.

## 9. Post-conference: Updates to the LGNSW Policy Platform

LGNSW's Policy Platform consolidates the voices of councils across NSW, reflecting the collective positions of local government on issues of importance to the sector. Importantly, the Policy Platform guides LGNSW in its advocacy on behalf of the local government sector.

The Policy Platform consists of two parts: LGNSW's Fundamental Principles, and the more targeted Position Statements.

- **Fundamental Principles** are the overarching principles that direct LGNSW's response to broad matters of importance to the local government sector. These Fundamental Principles are endorsed (or amended) by LGNSW members at the Annual Conference.
- **Position Statements** contain the more detailed positions of LGNSW on specific issues. Position Statements are subordinate to LGNSW's Fundamental Principles but are more agile and are targeted at specific policy issues as they arise. Position Statements are formed and updated through:
  - Resolutions of the Annual Conference
  - Issues raised by members outside of Annual Conference, including through LGNSW surveys of members
  - Input from the LGNSW Board
  - Positions developed in response to government policy or emerging issues
  - Positions developed in the process of making LGNSW submissions.

Position Statements are endorsed by the LGNSW Board.

### ***Changing Fundamental Principles***

Councils submitting motions to the Annual Conference will be asked to indicate whether the motion conflicts with any of LGNSW's Fundamental Principles.

Where a motion conflicts or may conflict with a Fundamental Principle, this will be clearly highlighted for delegates in the Conference Business Paper. If the motion is adopted as a resolution at Conference, then the relevant Fundamental Principle will be changed.

It is expected that changes to the Fundamental Principles will be uncommon, given their broad focus and general acceptance among the local government sector.

### ***Changing Position Statements***

Following each Annual Conference, LGNSW will review resolutions of that Conference to determine whether the intent of each resolution is adequately covered by existing Position Statements. Where the Position Statements do not adequately include the intent of a resolution, LGNSW will update an existing Position Statement or draft a new Position Statement, to be endorsed by the LGNSW Board as part of the LGNSW Policy Platform.

LGNSW members will be informed of updates to the LGNSW Policy Platform.

## **10. Post-conference: Determining LGNSW Advocacy Priorities**

Following the LGNSW Annual Conference, LGNSW will review the resolutions and identify key areas of focus to guide LGNSW's advocacy for the coming year. These areas of focus will also be informed by member feedback, the strategic plan, position statements, emerging issues, and Board input.

This broad review will result in the development of LGNSW's Advocacy Priorities for the following year, for endorsement by the LGNSW Board and communication to members.

As LGNSW undertakes advocacy actions on each of the Conference resolutions throughout the year, these actions and their outcomes will be published in LGNSW's Action Report<sup>5</sup>.

## Frequently Asked Questions

- **How do I know if my motion conflicts with a Fundamental Principle?**

Identifying whether a motion conflicts with a Fundamental Principle can be difficult, particularly if you are unfamiliar with them. The knowledge expert within council is best placed to identify this (for example, if the motion relates to a planning matter, this question should be answered by the Planning Manager). Knowledge experts are encouraged to review the Fundamental Principles in LGNSW's Policy Platform. It can be helpful to review the relevant Position Statements as well to gain a further understanding of LGNSW's position on a particular matter to help identify whether your motion is conflicting.

- **What is the deadline for submitting motions?**

Members are encouraged to submit motions [online](#) by **12 midnight (AEST) on Monday 28 September** to allow assessment of the motions and distribution of the Business Paper before the Conference. However, in line with the LGNSW Rules, the latest date motions can be accepted for inclusion in the Conference Business Paper is **12 midnight AEST on Sunday 25 October 2020** (28 days prior to Conference).

LGNSW can receive up to 300 motions for an Annual Conference. Submitting motions as early as possible helps LGNSW to manage the large volume of motions received within a short period of time and allows LGNSW to seek clarification on any motions if required.

- **I'm unsure which motion category or sub-category I should select in the online portal**

We have aligned the motion categories with the general council department streams. However, there may not be a suitable sub-category for your motion. Should this be the case, please feel free to leave this blank.

- **Who should be the council contact for motions?**

We recommend the council contact is someone who is available during the months that motions are open, and able to respond promptly to communications between the knowledge expert, your council and LGNSW. Some councils have identified the General Manager and others have identified the Governance Officer – it is a decision for each council.

- **Will the COVID-19 pandemic affect the motions process?**

The LGNSW Annual Conference motions process is an important policy setting process for the local government sector. The LGNSW Annual Conference will be following government guidelines on safe events and social distancing. COVID-19 precautions may change in the future and so LGNSW is considering suitable contingency plans to ensure that motions are appropriately managed and that this important process continues.
