

Submission summary table: All HCAs

No	Issue/Concern	Comment
164	<p>Supports new HCAs.</p> <p>Submission from Friends of Pymble.</p> <p>Wants to protect vulnerable heritage streetscapes and neighbourhood character in Pymble from being lost or damaged by inappropriate planning and development outcomes.</p>	<p>Support is noted.</p> <p>The review and assessment has given consideration to the conservation of heritage areas.</p>
172	<p>Supports new HCAs.</p> <p>Notes how unacceptable development threats to heritage have been recognised by Australian Council of National Trusts Endangered Places Listing. The planning proposal supports the protection of local cultural heritage.</p> <p>Online 'Submit a comment direct to Council' form at the top right of the website did not work as expected.</p>	<p>Support is noted.</p> <p>Ku-ring-gai Council has listed to the requests to further protect Ku-ring-gai's Council and this review again assesses those places with potential heritage value for inclusion as conservation areas on Council's Local Environmental Plan.</p> <p>I'm sorry that for you the "submit a comment online" did not work. If you have trouble in future please contact Council's customer service as they would be happy to help.</p>
203	<p>Supports new HCAs.</p> <p>Feels it is too little too late as a lot has already been lost, but supports the last ditch effort.</p>	<p>Support is noted.</p>
